

College of Fisheries, CAU (I) organized one five days' training programme on “Application Skills of Communication Technologies for Extension Functionaries”

One five days' long training programme entitled “Application Skills of Communication Technologies for Extension Functionaries” was organized by the Department of Extension and Social Sciences during March 12-17, 2018 at the College of Fisheries, CAU (I). In all, eighteen number of extension functionaries representing the States of Manipur, Meghalaya, Tripura and Arunachal Pradesh took part therein. During the course of programme, the participants were sequentially facilitated to pass through the experimental stages of conceptualization vis-a-vis skill acquisition on the emerging communication technologies to benefit fulfillment of expectations to them while discharging outreach responsibilities in an efficient manner. Accordingly, various facets of information communication technologies were dealt upon by the six number of selectively chosen resource persons of the college. Mr. Y. Jackie Singh and Dr. Prasenjit Pal were acted as course Co-ordinators and Dr. A.D. Upadhyay performed as the technical mentor for planning and sequencing the designer course. The inaugural function was presided over by Dr. Pramod Kumar Pandey, Dean of the college and Dr. Sanjay Kumar Panda, Chairman, Executive Committee, Skill Development Mission, Govt. of Tripura graced the occasion as the Chief Guest. All the participants were distributed with certificates and Training Manuals during the valedictory function, which was presided over by Prof. Atanu Sarkar, Head, Department of Extension and Social Sciences of the college.
