

## **Innovation/ITK in Agriculture & Allied fields**

1. Owner of innovation/ITK:
  2. Location/Address:
  3. Caste/ Religion/Tribe:
  4. Education:
  5. Telephone/e-mail (if any):
  6. Title of innovation/ITK:
  7. General description of innovation/ITK  
(Purpose for use, materials used, method, tools, equipment, processing, cost)
  8. Whether it is a new innovation or based on traditional knowledge:
  9. If it is based on traditional knowledge, specify whether (Please tick)
    - a. it is known only to me
    - b. it is known to everyone in the region
  10. What is the main advantage of this innovation/ITK over what is already known to people?
  11. Any major limitation or shortcomings or precautions necessary before or during the use of this innovation/ITK?
  12. Specify your condition in case you would like to disseminate this innovation (Tick any)
    - a. no restriction
    - b. only on commercial basis
    - c. with further research on it
    - d. without further research on it
  13. Any other? (please specify)
  14. Has anybody else helped you in developing this innovation- Yes/No
  15. Specific rationale/purpose behind its use
  16. Users (Please tick):
    - a. community
    - b. individual
  17. Experience of users regarding impact of ITK (in years):
  18. Technical feasibility (please Tick): feasible/Not feasible
  19. Compatibility with agro ecosystem, socio-cultural system (please Tick): Compatible/Not compatible
  20. Since how many years this practice is in use:
  21. How you learn about it
  22. Documentary evidence (Attach photograph, sketch, diagram, map etc.):
- I declare that the information provided above is original and is true to the best knowledge.
