

## List of Training Programme

Sl No	Name of Training Programme	Period	No of Participants	Venue
1	Fish Based Farming System MODULE – I	10th to 12th July,2008	28 farmers	On campus
2	Technology of Value Added Fish Products	21th - 30th July' 2008	17 S.M.S & Fish farmers (Mizoram)	On campus
3	Fish Based Farming System MODULE – II	3rd to 4th Sept.2008	25 farmers	On campus
4	Six Trainings for Kishan Call Centre on different fields of Agriculture& Fisheries	2009	4 L-II Officers	On campus
5	Off-Campus Training on Value Added Fish Products for Self Employment of Women	30th - 31st December' 2009	26 women	Off campus
6	Scientific Conservation and Development of Fishery Resource in Forest Water Bodies	24th -26th March' 2009	20 Forest guard and forester	On campus
7	Fish based farming system (module III)	4th to 6th Nov. 2009	29 fish farmers	Off campus
8	Integrated farming	01(2 days) 15-16/01/2010		On campus
9	Awareness camp on fish biodiversity and water resource conservation of Tripura	One day 18th Jan. 2010	45 fish farmers	Off campus:
10	Scientific Fish Farming & Processing	16 th to 20 th March 2010	6 official of line dept.	On campus
11	Fish Based Farming System MODULE -IV	29 th to 31st March 2010	21 farmers	On campus
12	Fish based farming system (module V)	3days (29th to 31st March 2010	21 fish farmers	Off campus
13	Fish Processing & Value Added Fish Products	27 – 31 July, 2010	25 Village Women	Off campus
14	Fish Based Farming System MODULE -V	15th to 17th July 2010	25 farmers	On campus
15	Training on Entrepreneurial Motivation in Fisheries Sector for Rural Youth	26th to 28th August 2010	26 youths	CAU, Imphal

16	Fish Processing & Value Added Fish Products	31.08.2010 to 04.09.2010	25 Village Women	On campus
17	Training on Scientific Aquaculture in N.E.	14th to 18th Sept .2010	5 official of line dept.	CAU, Imphal
18	Fish Based Farming System MODULE -VI Training cum Exposure Visit in Tripura	28 th - 29 th October 2010	18 farmers	On campus
19	Fish Processing & Value Added Fish Products	(20 – 24 Dec.'10),	25 Village Women	On campus
20	Fish Based Farming System-Module V: Training, Balaram	Jan 2010	29 Farmers	Off campus
21	Fish Processing & Value Added Fish Products	18 – 22 Jan'11	25 Village Women	On campus
22	Fish Health Management in Freshwater Aquaculture	22 nd to 26 th Feb.'2011	5 official of line dept.	On campus
23	Fish Based Farming System MODULE-VII	22 nd to 24th March 2011	29 Farmers	On campus
24	Skill Training on Net Making and repairing of Adopted farmers	1st 3rd March	12 Farmers	On campus
25	Scientific Fish Breeding & Hatchery Management	13 th to 18 th June, 2011	19 official of line dept.	On campus
26	Fish Based Farming System: Fish Breeding	10 – 12 July, 2012	22 Farmers	On campus
27	Grow-out production practices for small scale fish farmers of North Tripura-District	6-10 August & 21-25 Sept. 12	55 Farmers	On campus
28	Fish Processing & Value added Fish Products	28-31 August 2012	17 Farmers	On campus
29	Training on Feed and Feeding management in composite fish farming	11th to 12th October, 2012	14 Farmers	On campus
30	Fish Farming Techniques to Income Generation Activity Support Team on Training of Trainers Mode	15-19 Oct, 2012 & 5-9 Nov, 2012	55 Farmers	On campus
31	Workshop-cum-Training on "Feed based aquaculture in North-East region: status, constraints and potential	11-12, January, 2013 Sponsored by CIFE, Mumbai	50 Farmers	On campus
32	Hands on training on	15 – 17 January	32 MFSc student, Res.	On campus

	Molecular Biology Techniques	2013	Scholar & FCLAs	
33	Integrated fish based farming system in Tripura (Off campus)	13-15 March, 2013	21 Farmers	Off campus
34	Training on “Methods and Techniques for Improved Production, Utilization and Conservation of Fishery Resources of North East India”.	14-18 March 2013 Sponsored by NFDB, Govt. of India.	19 Farmers	On campus
35	Capacity building workshop-cum-Training on “Collection Preservation, Cataloguing, Preliminary Identification and Application of Molecular Tools for Confirmation of Systemic Identity	8-12 March 2013 Sponsored by DBT Govt. of India	23 Farmers	On campus
36	Capacity building training on Diversification of Aquaculture Practices in NE Region”	6-8 Aug 2013	23 line department officials	On campus
37	Regional Workshop cum Training On “Application of Bioinformatics Tools and Techniques in Fisheries, Aquaculture and Life Science	21 to 23rd October, 2013	23 (Assistant Professor/Lecturer)	On campus
38	Molecular Biology techniques	15th – 17th Jan. 2013	31 students of College of Fisheries	On campus
39	Application of molecular tools for systematic identity of fishes	11th – 12th March 2013	25. Research Scholars /Non-Teaching Staffs of College of Fisheries	On campus
40	Molecular Biology techniques	21st - 23rd May 2013	22 final year B.F.Sc students	On campus
41	Real Time PCR and Sequencing	25th – 27th Nov. 2013	18 Faculties and 4 research scholars of College of Fisheries and 1 Coordinator of nearby Biotech HUB	On campus
42	Molecular Biology techniques	2nd - 4th Dec. 2013	24 students and 3 faculties of N S	On campus

			Mahavidyalaya, Udaipur, GomtiDist, Tripura	
43	Molecular Biology techniques	29th -31st Dec. 2013	20 students of College of Veterinary Sciences and Animal Husbandry, Tripura	On campus
44	Application of Bioinformatics Tools and Techniques in Fisheries, Aquaculture and Life Science	21 - 23rd Oct. 2013	23 participants (Assistant Professor or above cadre) from different institute	On campus
45	Hands on Bioinformatics Techniques and Fisheries Database	21st -23rd Jan. 2014	15 (M.F.Sc. Students and Research Scholar)	On campus
46	Application of Bioinformatics Tools and Techniques in Fisheries, Aquaculture and Life Science	21 - 23rd Oct. 2013	23 (Assistant Professor or above cadre) from different institute	On campus
47	Fish Germplasm Collection, Preservation, Cataloguing, Preliminary Identification and Application of Molecular Tools for confirmation of systematic Identity	4th - 7th Nov. 2013	18 participants	On campus
48	Ornamental fish culture and aquarium management	10th March to 9th April,2015	11 unemployed youth	On campus
49	Hands on training on “Molecular Biology techniques” sponsored by DBT, GoI	9th – 18th Jan, 2014.	15 (students women’s polytechnic College, Agartala, Research Scholar and FCLA of College of Fisheries)	On campus
50	Molecular Biology techniques	9th – 18th Jan. 2014	15 (students women’s polytechnic College, Agartala, Research Scholar and FCLA of College of Fisheries)	On campus
51	Capacity building workshop- cum-Training on “Collection Preservation, Cataloguing, Preliminary Identification and Application of Molecular Tools for Confirmation of	Five days 27-31 March 2014 Sponsored by DBT Govt. of India	19 FCL-Assistant, JRFS, Project Assistants	On campus

	Systemic Identity”			
52	Diversification of Aquaculture species and practices in NE region	22-26 April, 2014	20 Fisheries department professionals	On campus
53	Exposure to Biotechnology and Molecular Biology concepts	12th Sept., 2014	50 students	On campus
54	Hands on training on Molecular Biology Techniques	22-25 Sept., 2014	18 Faculty from different institutes of Tripura	On campus
55	Biotechnology and Molecular Biology concepts	12th Sept. 2014	50 students of class XII from Don Bosco school, Agartala	On campus
56	Molecular Biology techniques	22nd- 25th Sept. 2014	18 faculty members from different institutes of Tripura	On campus
57	Exposure to Biotechnology and Molecular Biology concepts	12th Sept., 2014	50 Students	On campus
58	Exposure to Biotechnology and Molecular Biology concepts	12th Sept. 2014	50 students	On campus
59	Hands on training on Molecular Biology techniques	6-9 Nov 2014	25 Post-graduate students of College of Fisheries, Lembucherra	On campus
60	Awareness Programme on National Surveillance programme on Aquatic Animal Disease.	25th Nov, 2014	14 West Tripura District of Tripura	Off campus
61	Hands on training on Molecular Biology techniques	6-9 Nov., 2014	28 Post-graduate students of College of Fisheries, Lembucherra	On campus
62	Molecular Biology techniques	6th- 9th Nov. 2014	28 Post-graduate students of College of Fisheries	On campus
63	Hands on training on Molecular Biology techniques	6-9 Nov., 2014	25 Post-graduate students of College of Fisheries, Lembucherra	On campus
64	Awareness Programme on National Surveillance programme on Aquatic Animal Disease.	25th Nov,2014	14 Farmers	Off campus

65	Application of ICT in fisheries extension	5-9 Jan., 2015	20 Fisheries department professionals	On campus
66	Recent advances in aquaculture	13-17 Jan., 2015	11 Fisheries department professionals	On campus
67	Soil and water quality management techniques	20-24 Jan., 2015	14 Fisheries department professionals	On campus
68	Current approaches and Applications Bioinformatics in Life sciences	27-29 Jan., 2015	28 Faculties and Research Scholars	On campus
69	Capacity building of fisheries based SHGs members	22-24 Jan., 2015	14 Farmers	On campus
70	Demonstration of Common carp breeding	12-14 Jan., 2015	16 Farmers	On campus
71	Capacity building of fisheries based SHGs members	22-24 Jan., 2015	14 Farmers	On campus
72	Fish based Integrated farming system(IFS)	17-21 Feb., 2015	12 Fisheries department professionals	On campus
73	Floating aqua-feed production using local ingredients	24-28 Feb., 2015	16 Fisheries department professionals	On campus
74	Post Harvest Management of Fish and Value Addition	25-27 Feb., 2015	19 Members of Women SHGs	On campus
75	Ornamental fish culture	2-4 March, 2015	17 Farmers	On campus
76	Awareness programme on National Surveillance programme for Aquatic Animal Disease	12th Feb, 2015	38 Gomati District of Tripura	Off campus
77	Awareness programme on National Surveillance programme for Aquatic Animal Disease	13th Feb, 2015	24 Dhalai District of Tripura	Off campus
78	Awareness programme on National Surveillance programme for Aquatic Animal Disease	16th Feb, 2015	30 South Tripura District of Tripura	Off campus
79	Awareness programme on National Surveillance programme for Aquatic Animal Disease	20th Feb, 2015	26 Sepahijala District of Tripura	Off campus
80	Post Harvest Management of Fish and Value Addition	25-27 Feb., 2015	19 Members of Women SHGs	On campus

81	Ornamental fish culture	2-4 March, 2015	17 Farmers	On campus
82	Fisheries Resource Management & Enhancement of Aquaculture production in Tripura	May 20-21, 2015	25 Farmers	On campus
83	Stocking Management of Fish in Polyculture System	July 08, 2015	16 farmers	On campus
84	Stakeholders' Interface with focus on Aquaculture Development in Tripura	July 29, 2015	29 stake- holders	On campus
85	Sensitization programme on Feed & Feeding Management	Aug. 12, 2015	18 farmers	On campus
86	Breeding and Seed Production of Pabda	Aug.12-14, 2015	19 Farmers	On campus
87	Demonstration and awareness programme on soil and water collection from the farmers pond and its importance in aquaculture	April 09, 2015	18 Farmers	Off campus
88	Awareness programme on importance of plankton growth in fish pond and its measurement method	May 13, 2015	14 Farmers	Off campus
89	Fisheries resource management and aquaculture production enhancement in Manipur	May 17-18, 2015	70 Farmers	Off campus
90	Fisheries resource management and aquaculture production enhancement in Sikkim.	June 11-12, 2015	59 farmers	Off campus
91	Fisheries resource management and aquaculture production enhancement in Mizoram	Nov. 23-24, 2015	35 Farmers	Off campus
92	One month long off-campus capacity development training of women group on weaving and mending of drag net	Feb. 23-Mar. 23, 2016	20 Farm women	Off campus

93	One month long off-campus capacity development training of women group on weaving and mending of cast net	Feb. 23-Mar. 23, 2016	15 Farm women	Off campus
94	Scientific Aquaculture production management	15-17 July, 2015	23 Ext. officers	On campus
95	Breeding and seed production of Pabda (Ompok bimaculatus)	12-14th, August, 2015	18 farmers	On campus
96	Seed production and hatchery management of Fresh water prawn	7-9th September, 2015	12 farmers	On campus
97	Advances in fish farming management practices	16-18 Sep., 2015	26 Ext. officers	On campus
98	Identification and Biological Traits of potential cultivable fish species of North East Hill Region and their conservation	26-30 Sep., 2015	22 Ext. officers	On campus
99	Scientific Aquaculture production management	15-17 July, 2015	23 Ext. officers	On campus
100	Hands on training on molecular biology techniques	Dec. 14-31, 2015	06 students of B.tech of NIT, Agartala	On campus
101	Species diversification in NE Aquaculture and management	23 -29th Feb. 2016	20	On campus
102	Hands on training on soil and water quality management in aquaculture	8-12 Feb., 2016	21 Ext. officers	On campus
103	Hands on training on Molecular Biology Techniques	Feb., 22-29, 2016	16 students+ 1 faculty 4th yr B.V.Sc. Students	On campus
104	Hands on Training on Bioinformatics and Molecular Biology Techniques Applied to Fisheries and Aquaculture	Mar., 21-28, 2016	46 M.F.Sc. Students	On campus
105	Sensitization and activity planning on fish based integrated farming for College adopted villages	May 16-17, 2016	17 fish farmers	On campus
106	Activity scheduling for Pabda & Magur breeding in beneficiaries' ponds of adopted village.	July 01, 2016	13 farmers	On campus

107	Hands on training on soil & water analysis	Sep.7-9, 2016	27 farmers	On campus
108	Sensitization on importance of fish health management	Oct. 27,2016	19 farm youth	On campus
109	Awareness camp on importance of soil & water in augmenting fish production	Dec.05, 2015 ( for farm youth)	23 farm youth	On campus
110	Norms setting workshop for women led SHGs of adopted village	13.04.16 & 16.05.16	19 Farm women	Off campus
111	Community workshop in adopted village	4.4.16 & 8.4.16	21 Farmers and farm women	Off campus
112	Constitution of interest groups and their How-to-do training on carrying out harvest vis-a-vis grading, transporting and marketing of live fish	May to June, 2016 (4 days)	20 Fish Farmers	Off campus
113	Participatory seed production of Magur	Aug. 15 -30, '16	27 Farmers	Off campus
114	Short Course on Basic Techniques on Molecular Biology and Bioinformatics	24 Oct - 2 Nov 2016	31 B.V.Sc students	On campus
115	Training programme on "Capacity Building in Molecular Biology and Bioinformatics techniques"	20-27th February, 2017	21 participants(College Teachers& Research scholars)	On campus
116	Farmers' Training programme on 'Organic farming/Natural farming/Cow based economy' under 'Pandit Deen Dayal Upadhyay Unnat Krishi Shiksha Yojna'	20 - 31 March, 2017	150 Farmers	On campus/Off campus
117	Community Managed intensification of Table fish production in ponds of Tripura	28 - 30 April,2017	21	On campus
118	Basic Techniques of Molecular Biotechnology	23 May - 23 June, 2017 (1 month)	3	On campus
119	How to do on constitution of fish farmers' interest groups	April 11, 2017 (1 day)	13	Off campus
120	Fishers' community workshop in adopted village	April 11, 2017 (1 day)	19	Off campus

121	Rearing of Pabda and culture of tubifex as live food	July '17 (3 days)	20	Off campus
122	Management strategies and economics of Aquaculture in seasonal and perennial ponds of Tripura	Aug'17 (7 days)	20	Of campus
123	Carp seed production through Eco hatchery	July '17 (5 days)	20	Off campus
124	Climate smart aquaculture practices with special reference to northeast region	Sept.'17 (5 days)	20 (Extension Functionaries/faculty/scientist/research scholars)	On campus
125	Genome and Proteome Analysis	Sept.'17 (3 days)	30 (Faculty/scientist/research scholars/Student)	On campus
126	Sensitization programme/village workshop in MGMG adopted villages	July'17 & Sep. '17(1 day)	20 farmers	Off campus
127	Participatory seed Production of Pabda	July '17 (5 days)	22 farmers	Off campus
128	Preparation of value added fish products	Sept. '17	20 farmers	Off campus
129	Seed production of carp and catfish (vocational training)	July'17to Sept '17 (3 months)	20 farmers	On campus
130	Magur breeding (demonstration)	July 2017 (7 days)	20 farmers	On campus
131	Value addition of fish and fish products (demonstration)	Aug' 17 (1 day)	20 farmers	Off campus
132	Management of fish diseases	Oct.'17 (5 days)	25 farmers	On campus
133	Soil and water health Management	Dec. '17 (5 days)	25 farmers	On campus
134	Fisheries Resource management: A tool for enhancing fish production in NE region	Nov. '17 (3 days)	20 farmers	On campus
135	Recent Advances in Aquaculture Biotechnology	1-21 Nov.'17 (21 days)	25 faculty/scientist/research scholars	On campus
136	Capacity building on soft skills and ICTs	Oct.'17 (3 days)	20 (Functionaries/faculty/scientist/research scholars)	On campus
137	Skill development on net making and repairing for farm women of MGMG adopted villages	Nov- Dec.'17 (21 days)	15 farmers	Off campus

138	Preparation of value added fish products	Dec. '17 (3 days)	20 farmers	Off campus
139	Fisheries resource management in Tripura	Nov.'17 (2 days)	20 farmers	Off campus
140	Ornamental fish breeding and aquarium management	Jan '18 (5 days)	25 farmers	On campus
141	Value added fish products	Jan '18 (5 days)	25 farmers	On campus
142	Hands on training on soil and water quality management in aquaculture	Feb '18 (5 days)	25 (faculty/scientist/research scholar)	On campus
143	Engineering and management in Fisheries and Aquaculture	Feb '18 (7 days)	20 (Extension functionaries)	On campus
144	Capacity building on soft skills and ICTs	Jan.'18 (3 days)	20 (Extension functionaries)	On campus
145	Bioinformatics with respect to Animal/Aqua Sciences	Jan.'18( 5 days)	30 (faculty/research scholar/students)	On campus
146	Sensitization on good aquaculture practices	June 2018 (2days)	25 farmers	Off campus
147	Aquaculture Technician	June 2018 (25 days)	25 entrepreneurs/farmers	On campus
148	Seed Production Technology for Carp, Catfish and Giant Freshwater Prawn	June 01 to Aug 01, 2018 (3 months)	Farmers	On campus
149	Seed Production and Larval Rearing of Magur and Singhi	Sept 4 to 10, 2018 (17days)	Farmers	On campus
150	Techniques on Molecular Biology	November 2018 December, 2018 (7 days)	Faculty/research scholar/students	On campus
151	Hands on training on Molecular biology techniques	Nov 27-3 Dec 2018 (7 days)	Faculty/research scholar/students	On campus
152	Hands on training on Molecular biology techniques	Dec 04 to 7 Dec 2018 (4 days)	Faculty/research scholar/students	On campus
153	Capacity upscaling on management of Agri based ICT tools and techniques	Dec.2018 (7 days)	25 Extension functionaries	On campus
154	Aqua Clinics & Aquapreneurship Development Programme (AC&ADP)	Jan 2019 (1 month)	20 Entrepreneurs	On campus
155	Freshwater fishery resource management for sustainability and empowerment of rural	19-23 .02.2019 (5 days)	23 Farmers	On campus

	population			
156	Techniques of ornamental fish breeding	Aug 2019 (5 days)	25 Farmers	On campus
157	Integrated semi-intensive aquaculture	March 06- 05 June, 2019 (3 months)	25 Farmers	On campus
158	Hands-on training on “Molecular biology techniques”	March 2019 (5 days)	15 Faculty/research scholar/students	On campus
159	Techniques of ornamental fish breeding	4-8 March 2019 (5 days)	20 Farmers	On campus
160	Basic techniques of Agri-digital application	12-18 March. 2019	20 Extension functionaries	On campus
161	Post harvest management and valuation of fish	26 Feb -02 March 2019 (5 days)	25 entrepreneurs	On campus
162	31st All India Congress of Zoology (31st AICZ) & National Seminar on Climate - Smart Aquaculture and Fisheries (CSAF)	15-16 Jan. 2019 (2 days)	230 (Faculty members, scientist and research scholar, extension functionaries and students)	On campus
163	Fish Health and environment Management	25 June – 1st July, 2019 (7 days),	13 farmers	On campus
164	Empowerment of Women through value added fish products technology	June – 20th July, 2019 (5 days)	15 women SHG farmers	On campus
165	Scope of entrepreneurship in fisheries sector in India	20- 29th November 2019	30 farmers	On campus
166	Breeding of Gold fish & angel fish and aquarium management	03 -07 March 2020(5 days)	24 fish farmers/unemployed youth	On campus
167	More from less through good management practices in aquaculture	7th Sep to 21st Sept 2019 (5 days).	9( Extension functionaries)	On campus
168	Methods and techniques for habitats and species conservation of fisheries resources on N-E India	22nd to 28th November 2019 (7 days)	10 Extension functionaries	On campus
169	Design and construction of freshwater pond and carp hatchery	10th to 16th February 2020, (7 days)	11 Extension functionaries	On campus
170	Climate Change: Management Strategies for Doubling the Farmers’ Income	12-16 May, 2020 (5 days)	130 (Faculty member, scientists, researchers and students)	Online (virtual)

171	E-Learning Ecologies: Tools and Techniques for enhancing Teaching & Training Competencies	26- 30 May, 2020 (5 days)	83 (Faculty member, scientists, researchers and students)	Online (virtual)
